THE FIRST CHOICE WHEN IT COMES TO SMART CHOICES

NX-1 is the new NOX chassis that aims to be the first choice when you want to make the smart choice. The screwless drive bays makes it easy to swap drives and HDD; the front panel in metal mesh have a great look and a great ventilation capacity; the red LED stripes and power/HDD LEDs are the final touch in style. Why is it a smart choice? Because all of this comes shipped in an affordable class A chassis.
